As an adult leader in the Boy Scouts of America, you have the privilege of making a positive difference in the lives of the youth members you serve. To serve effectively, you must be trained. The youth members of the BSA deserve a trained leader and there is no substitute for proper training. The programs of the BSA are exciting, challenging and often technical. The information needed to properly deliver these programs to our youth members is not intuitive. Instead, it requires proper training. Proper delivery of these programs to our youth members is not intuitive. Instead, it requires proper training.

This is a fun course, that will enable the participant to become a stronger adult leader

***\* This course is required for all Scoutmasters and Assistant Scoutmasters.  
This course is subject to cancellation if fewer than 5 pre-registrations***
